Remarks

Status of the claims

The specification has been amended to incorporate the priority claim for the present application.

Claims 1-49 have been cancelled, without prejudice. New Claims 50-74 add no new matter and find support, for example, in the allowed claims of the parent application and at pages 12 and 13 of the instant specification.

CONCLUSION

Applicant submits that the presented claims are in condition for allowance. A favorable action is earnestly requested. Applicant's attorney invites the Examiner to call her at the number below if any issue remains outstanding.

Respectfully submitted,
